Writing

Mark Blyth

Week's activities

- Built extra figs for conference paper
- Started writing up a more in-depth version
- Kept working on CBC code
- Nodycon abstract back from review

Abstract

- Abstract back from review again

- Minor comments on formatting

- Possible to change title?
  - Add 'Bayesian' into it

In-depth paper

- Started work on an in-depth writeup

- Plan covers most of the last year's work; write up in thesis format?
    - Proposal: 3 days research, 2 days writing

Splines discretisor

- Kept working on splines discretisation as an aside
- So far so good

bristol.ac.uk

Next steps

1. Edit and resubmit abstract
2. Edit conference paper
3. Work on new discretisors CBC simulation
4. Write in-depth writeup
